Hello again,

Just a quick note to say that we hope you enjoy the new look website.

We are currently in Toronto shooting a video for the song "Animal Instinct". The director once again is Olivier Dahan. (Promises, Salvation). We also did some promo here in Canada:

6th May: "MusiquePlus" in Montreal,

8th May: "Much Music" in Toronto.

We announced some more "Loud and Clear" tour dates for the USA, Canada and Europe this year. Please go to the "[Tour News](#)" section and see.

More soon!
