THE CRANBERRIES NEWS				07th MARCH 2001			OLD NEWS		ARCHIVE		

Hello all of you guys out there- It's me- Dolores. Yes- I had my little girl- she's so gorgeous. She has black hair and weighs 7lbs 4ozs. She's about 9lbs now though. Well- life has been very kind to me lately. I appreciate everything so much more now. I don't usually write letters because it seems strange writing to somebody out there!! Yeah Man!!

Tomorrow my daughter will be five weeks old and I'm feeding her myself (nursing) which means it's difficult to go out because of milk issues! So yesterday- I went to London for the first time (took the milking machine of course!)- not very rock-starish behavior really- but who gives a shit once you're doing your own thing (being happy).

I met my very sweet hairdresser called Yiotis and he did my hair. It felt really exciting to get out of the house for a day. Although- I totally love these very special bonding months. One of the most beautiful times in life really. You'll see.

Noel went to London as he's having a second child in about three weeks time. Ferg went on holiday to Italy and Mike is in Limerick. We will get together in about three weeks coz the producer- Stephen Street- is coming over to hear the new stuff. The new stuff sounds very cool. Real music I'd say. Doesn't all that manufactured stuff sound sooooo the same really??

Well that's all I can think of for now except I'm totally looking forward to the next album and tour.

With lots of love to you all.
