Q10. DO THE CRANBERRIES HAVE FAITH IN THE MUSIC INDUSTRY?

A10. There are a lot of people in the music industry who got into it because they loved music. There are also a lot of wankers who just see the money. I believe good will always prevail, maybe not in the short term but you have to be patient, optimistic and positive!! To quote a great Irish artist (Bono): "Don't let the bastards grind you down".

Q11. HOW DO YOU SEE LIFE NOW THAT YOU ARE A FATHER?

A11. I'm enjoying life to the full. Once you have a child it opens your eyes to a whole new side of life, although there are also a whole new set of worries!!!

Q12. WHAT IS LIFE ALL ABOUT?

A12. If I could answer that I would be a very happy man and I'd probably be working as a full-time preacher. All I can say for sure is that this life is to be lived. The simple fact is that we are all mortal and we could leave this earth at any time, so make the most of it folks!!!!

Q13. WILL YOU BE COMING TO SPAIN FOR CONCERTS?

A13. Yes, yes, yes!! We are definitely coming to Spain for concerts next year. As soon as we get tour dates we will put them up on this website.
