Q18. WOULD YOU RELEASE A LIVE ALBUM?

A18. Maybe around the time of our greatest hits, although it would have to be really good. We are not the biggest fans of live records as you tend to lose some of the atmosphere.

Q19. NME MAGAZINE DID NOT GIVE YOU A GOOD REVIEW OF THE SHORT VICAR STREET CONCERT. THEY ACTUALLY SAID THAT THE CRANBERRIES SHOULD CALL IT QUILTS. IT SEEMS THAT THE BRITISH PRESS STILL DOESN'T LIKE YOU? DO YOU CARE? OR SHOULD YOU CARE?

A19. Go back and see answer number 17 and smile!

Q20. WHEN WILL YOU START THE NEXT TOUR?

A20. The tour is planned to start in March. There are many emails from many countries all asking when we will be coming there. We will strive to get to as many countries as we possibly can. As mentioned before, we will announce all the dates and locations as soon as we know them!

More answers to more questions really soon!
