Q. What do you think of the new songs on "Wake Up And Smell The Coffee" ?

A. We are really proud of the songs on WUASTC. We try to imagine it from the perspective of someone who is not in the band. You know : "Would I like this album if I wasn't in the band? ", and I must say (honestly) yes I definately would.

Q. When will you come to Brazil?

A. Next year hopefully. We have been wanting to come visit South America for many years, so sooooooon, soooooooooon!!

Q. I live in Recife, Brazil, and the people already listen to Analyse song. This song is a sucess!!! What do you wanna ask to this city?

A. Should we try and have a concert there???

MORE SOON!! - FERGAL.
