Hello again! At last! Rehearsals are over and now it's time to load up the gear and send it to Copenhagen! First show is 3 days away, and we are so excited to be touring again! As I have said before, for me playing live is what it's all about! I can give you a rough idea of our touring plans up to the end of August. The European leg will run til the end of April. May thru early July will see us in North America. Mid to end of July we will be in South America (at last!!) and mid to end of August is dedicated to Asia! There will be more touring after August, we just have not confirmed where yet! Anyway, enough banter, here's some foto's taken while all the gear was being dismantled and loaded into the trucks! -Bye! Fergal.
