Hi guys!!!

As you can see, we've been doing a bit of work on the myspace! Official site is coming next, and there'll be many surprises that follow! ;)

21 new songs down- and just finished a couple of early mixes which are sounding brilliant!

I've also re-recorded new versions of a couple of my "Are You Listening?" tracks for a project that will be announced soon.

Between the studio and the bambinos, there's been lots to do!

Thanks again for all of your messages of love and support here on myspace. Watch for more changes coming soon.

Love
