UPDATE 2: Beta Test Live 24/7 Radio (mp3 streams added)

Beta test Radio O' Riordan? Comment below and let me know. My team will continue working on it, but do let me know what you think!

Dolores xx

UPDATE:

Hey everybody!

Thanks for your input so far- just remember this is a test run. Over time, we'll be making changes and improvements of all kinds, including adding stuff like interviews, previously unheard live performances, mp3 streams, mobile phone ready streams, etc...and you never know what other little surprises we might throw in. ;-)

Thanks for listening and giving us feedback!
